INTRODUCTION

In a previous 1961 Census report (see Bulletin 1.2-4 of Volume I-Part 2), the population of Canada was shown according to the number of persons of each sex reported as single, married, widowed or divorced at the date of the census. The tables of this report provide more detailed information on the subject of marital status to show the population in each of these marital status and sex categories according to various age groups.

Table 78 shows this information for Canada and the provinces by rural farm, rural non-farm and urban, according to five-year age groups. In the tables for cities and towns of 30,000 and over and metropolitan areas (Tables 79 and 80), broader age classes are used.

Totals shown under the heading "married" in all tables include married persons who at the time of the census were living apart for any reason. The age classifications are based on a definition which specifies completed years of age at last birthday prior to the census date of June 1, 1961.

Un rapport précédent du recensement de 1961 (voir Bulletin 1.2-4, 1er volume, 2e partie) présentait la population du Canada suivant le nombre de personnes de chaque sexe déclarées célibataires, mariées, veuves ou divorcées à la date du recensement. Les tableaux du présent rapport apportent des renseignements plus détaillés sur l'état matrimonial en répartissant, selon divers groupes d'âge, la population de chacun de ces classements suivant l'état matrimonial et le sexe.

Le tableau 78 répartit, par groupe quinquennal d'âge, la population rurale agricole et non agricole, et urbaine du Canada et des provinces. Dans les tableaux qui portent sur les cités et villes de 30,000 habitants et plus et sur les zones métropolitaines (tableaux 79 et 80), la répartition est faite suivant de plus grands groupes d'âge.

Dans tous les tableaux, les chiffres de la colonne des "mariés" comprennent les personnes mariées qui, pour quelque raison, vivaient séparées lors du recensement. Les classements par âge se fondent, par définition, sur l'âge révolu au dernier anniversaire antérieur au 1er juin 1961, date du recensement.
